

Law Soda Network Attorney

Smart Legal Solutions, Straight Up.

Your Role

- You maintain full professional independence and control of every case.
- You are the sole provider of legal advice and legal services to the client.
- You may provide both general counsel services and services within your primary practice area.
- You document your hours and tasks monthly in our online case management platform, SodaHub.

How Law Soda Supports You

- We handle all billing, invoicing, and payment processing.
- We coordinate scheduling and client communication logistics.
- We provide ongoing administrative support so you can focus on legal work.
- We maintain SodaHub, where you track hours, upload notes, review tasks, and view client requests. Case managers monitor activity to ensure nothing is overlooked.

Compensation Structure

- Attorneys receive 70% of the monthly plan fee.
- Law Soda retains 30% for administrative and platform support.
- You may submit a monthly invoice for your 70% share (optional). SodaHub also tracks all earned amounts.
- Payments to attorneys are issued once Law Soda receives payment from the client.

Monthly Subscription Plans

- Starter – 3 hours/month
- Standard – 8 hours/month
- Pro – 20 hours/month
- Clients may combine two or more plans to fit their business needs.

Additional Support

- Kevin F. McDaniel, Founder & CEO, is available to Network Attorneys for internal strategy discussions related to corporate governance, startups, capital, and other business law topics.
- Kevin does not provide legal advice to clients but is available as a resource exclusively to Network Attorneys.

Contract Structure

- Each engagement uses a three-party agreement signed by the Client, the Network Attorney, and Law Soda.
- The agreement outlines each party's rights, responsibilities, and expectations.

Joining the Network

- Once accepted, you receive SodaHub access and may begin documenting hours, communicating with clients, and receiving assignments based on your experience and practice areas.
